---

A minimum of **120 credits** is required to graduate.

Second majors and/or minors in Business are not required but permitted. Minors in other Schools or Colleges are permitted as well. Co-majors in Arts and Sciences or Communication are permitted. Permission for a Dual Degree must be discussed with the Director of Advising. All Business majors and minors satisfy a cognate area.

*A modern language is not required however students interested in pursuing a minor or cognate with a language must select basic courses early in their academic career.

***Professional Core Elective in 300+ level BU course or modern language. PRO BU Core may double count for a minor/second major.
