WORK EXPERIENCE

RBC CAPITAL MARKETS

New York, NY

Incoming Investment Banking Summer Analyst

June 2017 – August, 2017

TRIDENT HOLDING GROUP

Miami, FL

Private Equity Associate

February 2016 – May 2016; August 2016 – February 2017

- Analyzed over 650 companies with revenue between \$5 and \$40 million based on margins, capital expenditures, industry, and growth history for potential acquisitions, increasing the number of leads by 20%
- Modeled cash flows of companies under a Letter of Intent based on historic and predicted growth levels to determine purchase and sale prices using EBITDA multiples to ultimately calculate investor return
- Performed due diligence work on potential multi-million dollar acquisitions of Event Management Software Company, Managed Services Provider, and Clinical Software Company by examining historical and predicted revenue, EBITDA margin growth, customer base diversification, return on tangible capital, and product expansion plans, leading to the decisions not to invest

SABADELL BANK & TRUST

Palm Beach, FL

Summer Credit and Wealth Management Analyst

June 2016 – July 2016

- Collaborated directly with the Lending Director to evaluate loan requests for corporations, partnerships, and individuals in a high-stress environment, contributing to \$26 million in loan structuring and \$1.9 million in revenues
- Conducted quantitative, qualitative, industry, and macroeconomic analysis to model debt service coverage, forecasted cash flows, as well as calculated risks associated with each loan request
- Supported key client relationship by structuring 3 unique loans for subject party; inspecting investment properties in Key West, Delray, and Palm Beach; investigating FDIC risk; and presenting loan package to Executive Loan Committee
- Performed equity research within US Large Caps for the Wealth Management Division's focus list

EXTRACURRICULAR ACTIVITIES

DELTA SIGMA PI BUSINESS FRATERNITY

Coral Gables, FL

Executive Board Member

August 2014 – Present

- As VP of Professional Activities (January 2015 – Present), demonstrated effective planning, attention to detail, and strong communication skills by coordinating the club's largest event in its history, a 4-person panel of executives with a 44% rise in the number of attendants from the previous record
- Employed organizational and interpersonal skills to be an effective team member on the Executive Board, collaborating to produce chapter meetings, service events, professional activities, and recruitment outreaches
- As VP of Service (August 2014 – December 2014), independently coordinated the biggest service event, a day at an animal shelter, for a class of new members with 126 service hours, compared to the standard 50 volunteer hours
