### University of Miami

*Bachelor of Business Administration in Finance*

GPA: 3.65

**Coral Gables, FL**

May 2019

**Honors and Awards:** Cane Achievement Award Scholarship, Provost's Honors Roll, Dean's List

## WORK EXPERIENCE

---

### BNP Paribas

*Summer Intern*

**New York, NY**

May 2017 – June 2017

- Participated in the Equity Linked Origination and Strategic Equity Solutions Group, focusing on capital generation strategies and stock repurchase plans
- Conducted multiple analyses by leveraging Bloomberg and created a basic discounted cash flow (DCF) model to support a merger & acquisition case study
- Engaged with multiple teams including: exotic options, total return swaps, S&P swaps, structured products, sales for hedge funds and insurance companies, counterparty risk, market risk, and compliance

### Brightstar Corp

*Global Strategic Advisor Intern*

**Miami, FL**

October 2016 – April 2017

- Assisted CEO and Global Strategic Advisor (Senior Vice President) with a variety of finance projects, including review and analysis of financial statements, banking relationships, status of accounts, liquidity overview, access to funds, and overall financial health of the company
- Analyzed shifting of market focus, viable projects, appropriate markets for project development, and available funding mechanisms
- Communicated with executives to synthesize funding, cash account status, liquidity issues, product inventory, accounts payable/ receivable, and overall financial drivers

### Ocean State Metals

*Business Development Intern*

**Providence, RI**

May 2016 – August 2016

- Researched pricing of multiple commodities to determine resale value, predict market fluctuations and identify appropriate products to hold, sell or buy
- Visited prospective customers to communicate pricing and terms
- Met existing clients to address business needs, potential improvements to efficiency, and likelihood of future commodity sales

### Narragansett Bay Insurance Company

*Project Management Intern*

**Pawtucket, RI**

May 2015 – August 2015

- Tested company software and data systems for defects in system performance, identified problem areas and drafted log of detected system problems
- Communicated with developers to resolve system failures in preparation for a new claim system
