WORK & LEADERSHIP EXPERIENCE

Okumus Fund Management

New York, NY

Hedge Fund Summer Analyst

May 2018 – August 2018

Okumus Fund Management

New York, NY

Hedge Fund Summer Analyst

May 2017 – August 2017

- Analyzed over 25 small/mid-market companies with revenues between \$50 million and \$1 billion based on 10-K and 10-Q filings, financial statements, growth history and executed various valuation techniques, including: public comparable analysis, transaction comparable analysis and DCF analysis.
- Built a screen of 250 technology stocks using various financial and valuation parameters and conducted a variety of daily market screens to help analysts generate ideas.
- Built detailed financial models and company valuation sheets and assisted with quarterly portfolio valuations by consolidating companies' financial data via Excel Modeling to help managers decide how to proceed with future investments.

University of Miami

Miami, FL

BUS101 Team Leader/Teacher Assistant

August 2017 – Present

- Led weekly 75-minute group discussions for Freshman Integrity, Responsibility, and Success Course, which is a course on cultural competency in the increasingly globalized world of business.
- Worked as a teacher assistant and formed the connection between freshmen and professors.
- Mentored students throughout their first semester in college and graded them on in-class performance while assisting them in group projects and presentations.

University of Miami

Miami, FL

Peer Tutor

October 2017 – December 2017

- Tutored fellow students in six different courses, including Calculus I and II, Economic Principles and Problems I and II, Elementary German and Foundations of Marketing in hourly sessions.
- Facilitated the learning process for tutees, providing them with effective studying strategies and problem solving techniques that resulted in improved academic performance.
- Participated in additional training sessions to increase skills related to communication and leadership.
