WORK & LEADERSHIP EXPERIENCE

C.R. Bard

Finance Intern, Global Operations

Murray Hill, NJ

May 2017 – August 2017

- Generated and analyzed month-end variance and budget reports utilizing Hyperion Financial Management for internal reporting of twenty worldwide manufacturing plants
- Audited manufacturing variances by plant and by division to assess year-to-date and end-of-year favorability against the budget and prior forecasts to evaluate benchmarks and performance metrics
- Ad-hoc analysis and internal audits in support of company's pending \$24 billion acquisition
 - Profit in inventory reconciliation which decreased 11 manufacturing countries' reporting errors by an average of 12%
 - Performed internal testing in compliance with the Sarbanes Oxley Act and the Physician Payments Sunshine Act to ensure appropriate ERP and CMS reporting

CarPo

Business Development Analyst

Coral Gables, FL

August 2016 – Present

- Develop pricing strategy for app's primary revenue stream through research and analysis of public transportation and ridesharing alternatives throughout Florida and New York City
- Monitor and report growth statistics such as downloads, accounts created and interactions while also assessing the app's reach on Facebook and Instagram

Interface Financial Group

Finance Intern

Bernardsville, NJ

June 2016 – July 2016

- Consulted with commercial banking representatives throughout a 50-mile radius to identify and evaluate potential borrowers in order to obtain new business streams and invoices
- Streamlined the office's hard drive through uses of Excel and executed financial analysis and modeling to assess risk, rewards, and valuations of invoices while organizing invoices by maturity

Sigma Alpha Epsilon

Scholarship Chairman

Coral Gables, FL

August 2016 – Present

- Advise, tutor, and organize scheduling materials to assist members which has increased the average chapter GPA from 3.42 to 3.53—the highest GPA of any IFC organization on campus
