

Hello MBS Faculty and Staff!

On behalf of Dean Quelch and the Alumni Relations and Development Team, we would greatly appreciate your help in ensuring our MBA 70<sup>th</sup> Celebration has a great turnout. This has the potential to be a milestone event for the Miami Business School. Included are our MBA 70<sup>th</sup> Marketing Materials for you to have in your office and share with respective visitors.

**Our goal is to have 400 attendees for each celebration!**

The MBA 70<sup>th</sup> ties into the bigger vision of the School: achieving top-25 ranking by the year 25 ("25 by 25"). In order to get there, alumni, faculty, and staff participation is key!

Thank you again, with your help this event will be a huge success!

Go 'Canes!
